Cellular Signaling StressXpress® Assay Kits

StressMarq offers a wide range of Chemiluminescent Immunoassay (CLIA), Enzyme Immunoassay (EIA) and Detection Assay kits for the study of cellular signaling and post-translational modifications. Our kits are rigorously tested to ensure they meet our high standards for quality and reproducibility.

Product Name	Species Reactivity	Sample Type	Sensitivity	Catalog No.
20S Proteasome StressXpress® Detection Kit	Species Independent	Purified proteins	N/A	SKT-133
20S Proteasome StressXpress® Detection Kit GOLD	Species Independent	Purified proteins	N/A	SKT-134
Autophagy Flux StressXpress® Detection Kit	Human, Rat, Mouse	Cell lysates	N/A	SKT-135
Blood Urea Nitrogen (BUN) StressXpress® Detection Kit	Species Independent	Serum, Plasma, Urine, Saliva	0.030 mg/dL	SKT-213
Corticosterone StressXpress® EIA Kit	Species Independent	Serum, Plasma, Urine, Feces	18.6 pg/mL	SKT-205
Cortisol StressXpress® EIA Kit	Species Independent	Feces, Urine, Serum, Plasma, Saliva, TCM	17.3 pg/mL	SKT-201
Cortisone StressXpress® CLIA Kit	Species Independent	Feces, Serum, Saliva, Urine	10.6 pg/mL	SKT-206
Creatinine Urinary StressXpress® Detection Kit	Species Independent	Urine	0.019 mg/dL	SKT-200
Cyclic AMP StressXpress® Direct EIA Kit	Species Independent	Lysates, Urine, Plasma, Saliva, Tissue	0.64 pmol/mL	SKT-209
Cyclic AMP StressXpress® High-Sensitivity CLIA Kit	Species Independent	Lysates, Urine, Plasma, Saliva, Tissue	0.119 pmol/mL	SKT-208
Cyclic GMP StressXpress® Direct EIA Kit	Species Independent	Lysate, Urine, Plasma, Saliva and Tissue	0.28 pmol/mL	SKT-211
Cyclic GMP High-Sensitivity StressXpress® Direct CLIA Kit	Species Independent	Lysate, Urine, Plasma, Saliva, Tissue	0.034 pmol/mL	SKT-210
DUB Activity StressXpress® Assay Kit	Species Independent	Purified proteins	N/A	SKT-136
Free Ubiquitin Chain StressXpress® Assay Kit	Species Independent	Cell lysates Tissue extracts	N/A	SKT-130
Nitric Oxide StressXpress® Colorimetric Detection Kit	Species Independent	Water, Serum, Plasma, Urine, Saliva and TCM	2.63 µM Nitrite 1.02 µM Total	SKT-212
Prostaglandin E2 StressXpress® CLIA Kit	Species Independent	Lysates, Saliva, Urine, Serum, Plasma, Tissue	4.81 pg/mL	SKT-207
Ubiquitin Interact StressXpress® Detection Assay Kit	Species Independent	Cell lysates Tissue extracts	N/A	SKT-132
Ubiquitin StressXpress® Detection Assay Kit	Species Independent	Cell lysates Tissue extracts	N/A	SKT-131
