

# Safe-Green™ DNA Stains

- The Best Choice for Toxin-free DNA Work

Dear user:

**NEW**

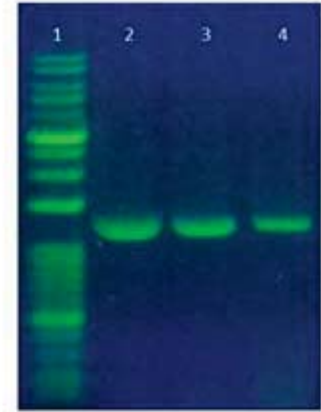

## Safe-Green™ 2x PCR Taq MasterMix

- A Robust PCR Formula with High Sensitivity and Efficiency
- With Added Safe-Green™ DNA Stain and Loading Dye
- Load Your PCR Products Directly onto Dye-Free Agarose Gel

**NEW**

## Safe-Green™ DNA Stains

- Supplied as A 6X Loading Buffer
- Unbeatable Price - \$25 for 1ml
- Safe and Toxin-Free, Reduce Hazardous Waste Disposal

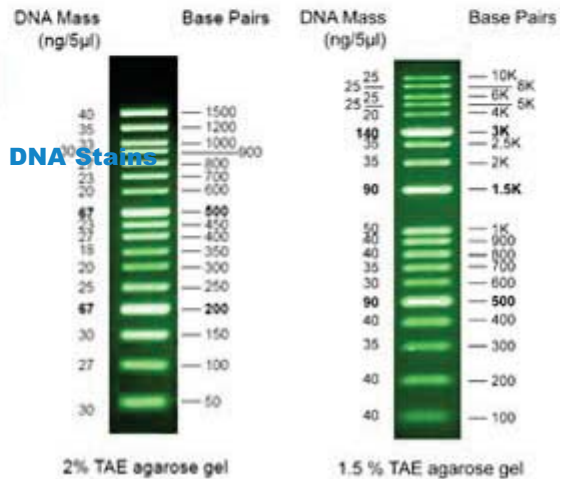

1: Safe-Green™ 1kb Opti-DNA Marker Cat. G474  
2-4: 1.25 kb target amplified from various template concentrations.

**NEW**

## Safe-Green™ Opti-DNA Marker

- The Companion Reference Ladder for Safe-Green™ DNA Stains
- Load Directly onto Dye-Free Gel
- Visualize the DNA Ladder with Your Samples Under UV Light- Hassle- Free!

Product Name	Size	Cat. No.
Safe-Green™ 2X PCR Taq MasterMix	5.0 ml (200 PCR reactions)	G472
Safe-Green™	1.0ml	G108-G
Safe-Green™ 100bp Opti-DNA Marker	500ul/100 loads	G473
Safe-Green™ 1kb Opti-DNA Marker	500ul/100 loads	G474
